### SUMMARY

- A dynamic and highly motivated artist who thrives in a challenging and fast-paced environment
- Strong draftsmanship and versatility with solid foundation of colour theory and design elements that create cohesive and interesting pieces using shape language and symbols
- Extensively involved in group projects both as a leader and an active participant

### QUALIFICATIONS

- Excellent understating of animation and staging principles that work in tandem to enhance the character's performance
- Experience in traditional as well as Harmony rigged character animation
- Proficient in Toonboom Harmony, Photoshop, Adobe Premier, and Adobe After Effects
- Fluent in English, Spanish, and French

### EDUCATION

**Sheridan College**  
*Oakville, On, Canada*

Bachelor of Animation  
2015-2019

Expeceted graduation on April  
2019 (3.7 cumulative GPA)

Art Fundamentals  
2014-2015

Graduated with High Honors

### EXPERIENCE

#### Production Artist (Internship)

*Coyle Digital, Toronto, ON*

Collaborated with an independent filmmaker and laid down the design groundwork for an upcoming feature film. Successfully creating the world and re-imagining the characters, via extraneous research and understanding of the film's cultural framework and adjusting the designs to reflect the story and its values.

#### Production Manager

*Sheridan College, Oakville, ON*

Lead a team of artist to the successful completion of an independent project, by organizing tasks, reviewing the material, resolving inter-personal conflicts, and helping out all departments of the pre-production and production process.
